

Texas State Graduates,

If you took out loans to acquire your college degree, if you choose to work in the Tidehaven School District this upcoming school year, you **MAY** qualify for the forgiveness/cancellation of your Perkins or Stafford Loans.

A **Highly Qualified teacher** that teaches on a **low-income campus** **MAY** qualify for this forgiveness/cancellation opportunity. FYI - Each of the TISD campuses qualifies as a designated low-income school.

If you have any Perkins or Stafford Loans you are paying back, please go to this website – [www.tea.state.tx.us/edex/loanforgive.html](http://www.tea.state.tx.us/edex/loanforgive.html) and carefully read this information.

A little time and reading and you may be eligible for from \$5,000.00 to \$20,000.00 in federal funds to assist you in paying back your student loans!! As usual, there are a few hoops to jump through, but it definitely would be worth your time and effort to check into this opportunity.

Hope this information assists you and THANKS for taking the time to visit with us in San Marcos on Tuesday, April 4, 2007. If you choose to work for us, I know you will work hard and be dedicated to the students of our school district. You would be greatly appreciated by the administration, the Board of Trustees and the community.

I have tried to send this e-mail to the applicants that indicated he/she had a Perkins or Stafford loan. If you think someone would need this information, PLEASE SHARE.
