

Attendance Award Winners!

Pictured are: Mark Garcia, Cameron Sides,
Francisco Guerra and Monica Rodriguez

Congratulations to these attendance award winners!

Each received a \$20 gift card after their names were drawn from among all students who had no more than one absence the first six weeks. The funds were made available by a grant from the Young Family Foundation. The drawings will continue through the remainder of the school year based upon attendance for the current six weeks' grading period; however, each six weeks there will be an additional drawing for those students who have missed no more than one day for the entire year.
