Blessing Elementary News & Photos

D.A.R.E. Graduation

Fifth grade students concluded their D.A.R.E. (Drug Abuse Resistance Education) course with graduation on December 9th. Officer Jaimie Buis discussed topics such as how to say no to peer pressure, building self-esteem, and alternatives to drug use with the students. First place D.A.R.E. essay winners were Josh Zarate and Dalton Novak.

Mrs. Hackfeld's Kindergarten classroom learned about procedural writing through pictorial recipes. Shown are the cracker stop lights the students made using peanut butter and M&M's.

Blessing Elementary recently participated in an UIL Academic Contest. The students competed in various academic competitions, such as Writing, Spelling, Social Studies, Number Sense, Maps, Graphs, & Charts, and Dictionary Skills. We are very proud of their achievements!
