

On October 31st, the students and staff at Markham Elementary dressed as their favorite book character. Kindergarten teacher Belia Castaneda is pictured with some of the book characters in her class. The characters from Old McDonald's Farm took over the campus for the day. Mrs. McDonald, who brought the animals while her husband stayed on the farm, asked the students to help her keep an eye on the animals and not allow them to roam away. The students were happy to help!
