

Food Drive Winners

To help the families in our community who are in need, Markham Elementary held a food drive during Red Ribbon Week. The students brought in 585 food items, showing how much they care about their community. One class alone donated 181 food items and was surprised with a very special treat for their kindness and generosity. Carmen Ortiz's fourth grade class, the winners of the Red Ribbon Week Food Drive, was treated to lunch at the Markham Café & Taco House where they dined on burgers, french fries, and soda. The students exclaimed that this was the best day and best lunch ever!! We want to thank the owners and staff of the Markham Café & Taco House for making this an extra special treat for our students.
