

# "THE BIG HELP"

*“Never believe that a few caring people can't change the world. For, indeed, that's all who ever have.” –*

**MARGARET MEAD**

Throughout the school year, we will have special days called “The Big Help”. On these days students are encouraged to participate by dressing differently, and if possible, making a donation to our Markham Elementary Donation Drive for the Matagorda County United Way.

The Matagorda County United Way has helped the students of Tidehaven, and specifically Markham Elementary, through donations of books and support for our D.A.R.E. Program.

**Please help us to help our local United Way.**

**Even the smallest amount can make a big difference.**
